ABOUT US

The 'Dream' to provide Quality Value Based Education to the next generation was imagined by our Founder Principal and Administrator Mrs Usha Sharma, who, in her over 35 years of unflinching and selfless service in the field of Education, has promoted the cause of uplift of the Modern education System with a more realistic approach emphasising on usage of the knowledge, wisdom & skill acquired through formal education into practical usage.

VIDYA BHARTI PUBLIC SCHOOL, run and managed by 'Vidya Bharti Educational Society' was established in the year 1990 to provide quality education as per the needs of the people of the area. The dream unfolded with a very humble beginning with a few students but the efforts put in by our Founder Principal made it one of the Leading Schools in and around Hisar with unmatched record in Academic Excellence and Co-curricular activities. The school has been functioning as a constant supply line by producing highly qualified and trained Students who went on and created a distinguished name for themselves and the School in the Society by occupying high positions in their professional life.

In our efforts to keep our Children up-to-date with the developments in the field of modern education, the School has provided for a State-of-the-Art SMART CLASS equipment in all classes that is constantly upgraded in agreement with the global changes that helps our children to update their knowledge base & expertise at par with the global standards.

As per the needs of the modern day life, the school, apart from the formal education, is providing a Bunch of activities laying special emphasis on English Conversation & the Art of Public Speaking, promoting talents in Music, Art & Craft, Volleyball, Handball, Table-Tennis, Skating & Yoga.

The Journey has been a highly fulfilling one, with constant support, appreciation and suggestions being received from our most precious partners – Parents. With their wishes, we aim to further this Journey and hope to create an unmatched environment of education to fulfil the dream & aspirations of our Founder Principal, Our Students & their Parents.

---------------------------	---------------------------	----------------------------	--------------------------------------------

SCHOOL TRANSPORT

The School has its own fleet of well-maintained Buses that ply on the routes decided by the School. The parents desirous of availing this facility must indicate their willingness in the appropriate column in the admission form.

- The buses will pick-up and drop the students only at the designated stops. • All riders are expected to reach at their stops at least 5 minutes prior to the scheduled arrival of the bus. • The pupils should stay peaceful and stay away from the main road while waiting for the bus. • Students are not allowed to withdraw their names from the bus facility for the months of Jan to March. • If a student, after discontinuing the facility wants to re-avail it during the same academic session, he/she will have to make payment for the intervening period, subject to permission being granted. • For any change in the bus arrangement, a written request stating adequate reasons should be made by the parents. • If the use of bus facility is to be discontinued at any time of the year, one month's notice in advance will be required otherwise the bus charges for the related month will be charged. • The Bus facility is extended to the parents at their own risk and responsibility.

FUNCTIONS, CELEBRATIONS AND CO-CURRICULAR ACTIVITIES: -

School celebrates a number of cultural, religious and national festivals as per the activity calendar designed every year before the session commences. It is to emphasize its commitment to provide an opportunity to learn and explore the wonderful and fascinating world of our rich and varied culture. School celebrates Mother's Day, Teacher's Day, Grand Parent's Day, Dussehra, Diwali, Children's Day, Christmas Day, Republic Day, Holi etc. The School also celebrates Annual Day & Prize Distribution Function in which lots of cultural programmes are prepared by the students. Same way our shining stars in academic as well as in cocurricular activities who get position inside the school as well as outside the school are appreciated and awarded.

As far as co-curricular activities are concerned, at VBPS students are always ready to compete with their school mates as classes 4th onwards in the school are divided into four houses-Rose, Tulip, Marigold and Lotus. During the whole session according to the activity calendar, students give their best to bring their house to the top. Our activity calendar has been designed with a keen observance of the upcoming festivals. Students perform to get the position in poem recitation, Card Making, Drawing, Slogan Writing, Poster Making, Speech, Rakhi Making, Thali Decoration, Toran Making, Fancy Dress, Bhajan Gayan, Photo Frame Making, Best Attire, Solo Dance, Drama, Skit, Debate, Kite Making, Quiz on various subjects etc. All activities give them an exposure to be the best among the rest.

SCHOOL LIBRARY

A spacious, well ventilated and richly stocked library catering to the need of the students to quench their thirst for knowledge & wisdom is functional in the school with more than 5000 books covering a wide range of topics & subjects. It is adequately equipped with reference books, encyclopaedias, dictionaries, year books, manuals, atlases and educational videos on varied subjects, apart from monthly subscription of periodicals & journals to keep the students abreast with current affairs. The library offers the students an opportunity to gain an edge by availing extra knowledge through the vast number of books provided for their reference. Apart from their subject books, students are encouraged to read on topics of current affairs, social policies, great thinkers and motivational stories. The School ensures that continuous additions are being made to the rich collection by periodical infusion of new books.

A highly qualified and experienced librarian helps the students in selection of relevant reading material and to optimally utilise library period provisioned in the academic time table.

COMPUTER EDUCATION

The School houses a very well equipped Computer Lab having state-of-the-art machines for providing CAL (Computer Aided Learning) and CLP (Computer Literacy Programme). More than 33 computers are installed in the computer lab with a view that each student gets a separate machine to put his knowledge gained from theory classes into use. The students are encouraged to learn the practical uses and advantages of computers by engaging them in practical work like web designing, programming in various computer languages, networking and internet surfing. In this modern digital age, these programmes have assumed great significance and empower the students with latest developments in the fields of Information Technology. Here students are encouraged to attain their highest levels of computing potential during the school hours.

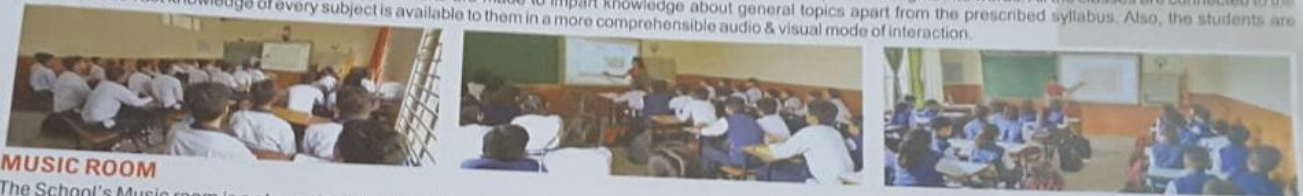

SCIENCE LABORATORIES

To provide a more practical and scientific approach to learn and to complement the conventional class room environment, the school has well equipped separate laboratories for Physics, Chemistry & Biology with all necessary apparatus & infrastructure to facilitate the students to learn through experiments & activities. The School has a fully functional and well equipped Physics laboratory with all necessary equipment and apparatus to facilitate the students to carry out and understand the mechanics of science through experimentation. The Chemistry laboratory of the School is a space to develop the young minds into geniuses of tomorrow by providing them with all necessary guidance. The students are encouraged to put what they learn in theory to practical experiments. A full equipped Biology laboratory with life size models is the jewel in the crown of our School. The students engage themselves into learning the life processes through discussion. The School also has a composite science laboratory for the students of Standard III to VIII where the necessary support structure is provided to make learning and studying of science a fun activity.

SMART CLASS

In keeping pace with the modern day innovative and interactive teaching techniques & aids, the School is equipped with 'Smart Class Learning' and connected infrastructure in all classes. The child is encouraged to become more proactive through a conscious effort of learning through modern visual and audio aids that are constantly upgraded and helps the child to remain abreast with the developments witnessed at the global level. The teachers explain and discuss the subject matter in an interactive way aimed at promoting the inherent thinking skills of the child and to promote his/her efforts to put his thoughts into words. All the classes are connected to the rest of the world through internet and genuine efforts are made to impart knowledge about general topics apart from the prescribed syllabus. Also, the students are benefitted as vast knowledge of every subject is available to them in a more comprehensible audio & visual mode of interaction.

MUSIC ROOM

The School's Music room is a place where Students give shape to their talent in singing and dance. It is well equipped with the latest musical instruments and audio visual equipment with a wide collection of videos. Both classical and contemporary music and dance forms are taught to the students. Apart from imparting training to play instruments like Synthesizer, Harmonium, Tabla, Banjo, etc. the students are also provided expert guidelines in vocal music. Students are trained in various dance forms like Punjabi Gidda & Bhangra, Rajasthani Ghoomer, Haryanvi, Gujrati Garba & Dandia, and folk dances like Naga dance. The School Music team regularly participates in various district and state level competitions like Patriotic Song Competition. Few students of the School have also featured in television programs telecast on leading satellite channels and have put up commendable performances. The School has Auditorium that adds new dimensions to all kinds of indoor activities and stage performances. Many students made the school proud by their achievement in inter school competitions at district, state & national level.

Language Lab :-

The School provides a highly interactive digital language lab that enables the students to learn the proper pronunciation of words and make them comfortable with universal language in the outer challenging world. In this lab students listen, repeat and compare the pronunciations. Moreover it is unique and enjoyable software to improve their listening, reading and speaking skills.

GAMES & SPORTS

Keeping in view the need for a healthy body to house a healthy mind, the school has provided playgrounds for outdoor games like Handball, Volleyball, Skating and a covered facility for indoor games like Yoga, Meditation and Table-Tennis. Physical Education is an integral part of the school curriculum. Various games & sports are conducted under the guidance of experienced physical education teachers. The School has hired four expert coaches to impart quality coaching & training for the disciplines of Handball, Volleyball, Skating and Table-Tennis. The school believes that sports are the best way to inculcate the morals of co-operation, team spirit, modesty, competitiveness and winning attitude. Regular Inter House matches are organised in all games and best among them are selected to represent the School in District & State level competitions. Many students made the school proud by their achievement in inter school competitions and the district, state national levels in Karate, Kabaddi, Skating, Badminton, Taekwondoans and Football, etc.

YOGA & MEDITATION

When a child is fit both spiritually and physically, then only he/she can be taken towards his/her intellectual development successfully. Yoga & Meditation is an invaluable gift by Indian culture to this world. Keeping this in mind, the School has hired a Yoga expert to impart the teachings to the students. Yoga not only helps to relieve the mental strain of the students but also helps them to cope up with the demands of a challenging curriculum. Yoga helps the students to realise their present state of consciousness and to move forward into a state of collective consciousness and well-being. Yoga training & Meditation makes the student shed their physical & mental tension and imparts confidence to face the daily challenges. It helps the students by teaching them methods as to how they can release the stress and also trains them in techniques of meditation to sharpen their mind and concentration power.

PARENT TEACHER MEETING

The Last Working Day of every month is observed as a PARENT TEACHER MEETING from 09:00 AM to 12:00 PM in Summer and 10:00 AM to 01:00 PM in Winter. It is mandatory for the Parents who have been specifically asked to attend the PTM. In case of an extreme situation where the parent cannot attend, written intimation should be provided. If a child is not making the desired progress, parents are welcome to contact the Principal, Class Teacher or the concerned subject Teacher to discuss remedial measures to be taken. Such meetings however will be arranged on appointments made through the office of the Principal and on no account should parents contact the teachers in their classroom directly.

FINE

* Rs. 5/- Per day will be imposed for being absent without leave. * If a student fails to appear in exams a fine of Rs. 50/- Per subject will be imposed. * All the students are advised to attend the independence and Republic day in school positively otherwise Rs. 100/- Fine will be imposed per event. * A student is given special call for attending the school function of any kind or extra class and if fails to attend the same will be fined Rs. 50/- Per day. * In case of incomplete or improper uniform while attending the school Rs. 10/- per day will be charged in case of repetition Rs. 20/- will be fined. * If any damage is caused to the school property the same will be recoverable from the defaulter student according to the assured value of the property.

ADMISSION RULES & PROCEDURE

- Admission is strictly on Merit basis. It is mandatory for the child to clear all the tests in every subject.
- Admission procedure in the School is initiated through Registration in the month of January with the admissions being granted in the month of April every year.
- Registration and Admission Form are available at the School counter during School hours in Jan. month.
